

YOU'RE INVITED!

Here's how it works:

Everyone brings their own lawn chairs, a dish to share for the adults, drinks for their family, and candy for the children. The adults have hor'dourves and visit in the driveway while seeing the Trick or Treaters in their Halloween costumes. All of the children visiting the neighborhood have "one stop shopping" in that they get candy from all of neighbors at one location.

Please attend. The adults have more fun than the kids!
